

***Bristol Boxkites at Point Cook by Gretton, R;
Matthews, G and Kightly, J.
ISBN 9780646916064
Project 2014, Victoria, 2014,
paperback, 80 pages, illustrated.***

This book has been put together by the team that built the Bristol Boxkite reproduction at the RAAF Museum, Point Cook, Victoria. Starting with the history of the Boxkite the book proceed to the story of the type at Point Cook, this takes up the first 40 pages of the book. The remainder of the book is taken up with the search for information and the construction of the reproduction Boxkite. The book is illustrated with many photographs from the RAAF Museum's collection of the early days at Point Cook. Only 700 copies were printed so get yours now. Highly recommended. – **Colin Owers**
