A detailed model of a biplane, identified as a 71A, with various markings including '3', '856', 'V', and '71A, mod C - ad. 3.2'. The model is olive drab with blue and white roundels on the wings and tail. It has a red, white, and blue vertical stripe on the tail fin. The fuselage features the number '3' and '856'. The wing has a large 'V' and a roundel. The landing gear is a simple two-wheel system. The text '71A, mod C - ad. 3.2' is printed below the model.
